***NOTE: the school will be issuing each student a planner the first week of school. It is required for science as it has metric conversions, maps, and a ruler. Please do NOT buy your own planner.**

Art	Music	French
1 pack of glue sticks, resealable baby wipes (not Clorox)	1 notebook, 1 folder, pencils	French-English dictionary, Larousse preferred If you DID NOT turn one in at the end of the school year, 1 orange notebook, wide-ruled 2 glue sticks (will be collected at the start of the school year)

All 7th grade students are expected to secure a VENTRA student pass. These are available in the main office, for a limited time only. We will be utilizing the CTA on our field trip experiences.

BIG LOCKERS= BIG CHALLENGE

Every 7th grade student will need to perform the skill of operating a *combination lock- DAY ONE! The school issues locks (for a minimal fee) to students on the first day of school. The administration expects that upper grade students lock their possessions in their hallway lockers.

*school-issued combination locks look like this:
right #...left #...right #... When you work with your child to master this skill you will see how greatly it expands the mind- GOOD LUCK!

Incoming Grade 7 I.G. Students

Only 7C has been assigned summer reading. Please refer to the second attachment for this information.
