

Dear Lincoln families:

Lincoln School is happy to partner with two tuition-based after-school organizations: Jewish Community Center (JCC) and Chicago Loves Dance (CLD). There are three different “programs” between these two organizations: J at School After-school care (3:45-6:00PM), JCC Enrichment classes (3:45-5:00PM), and CLD dance classes (3:45-5:00PM).

Programming of the J at School After-school care (3:45-6:00PM) begins the first day of school, September 5, 2017. Programming of the JCC Enrichment classes (3:45-5:00PM) is from September 18-December 8. Programming of CLD classes (3:45-5:00PM) is September 5-December 22. All of these programs will be held here at Lincoln School.

If you would like more information about these programs (including tuition) and/or to register for any of the program offerings, contact the appropriate organization below.

J at School Programming: When the work day extends beyond the school day, students can participate in organized physical activities inside and out, receive homework help, create art projects and play games, and enjoy healthy snacks. AfterSchool embraces a no-electronics policy in support of developing healthy minds and bodies. Offered Monday through Friday until 6:00pm. For further information please call the J at School Team at [\(312\)775-1848](tel:3127751848) or jatschool@iccchicago.org
