You must prepare to sing "Happy Birthday" (in any key you like)

And You must recite *from memory* the following monologue from "The Music Man"

"Well, either you are closing your eyes to a situation you do not wish to acknowledge or you are not aware of the caliber of disaster indicated by the presence of a pool table in your community. Well you got trouble my friend. Right here, I say, trouble right here in River City. Now friends, let me tell you what I mean. Ya got one, two, three, four, five, six pockets in a table. Pockets that mark the difference between a gentleman and a bum with a capital B and that rhymes with P and that stands for pool!"
