**Dear Lincoln Elementary Community Members,**

It is our great pleasure to announce that the Lincoln Elementary Local School Council (LSC) has approved the renewal of Principal Mark Armendariz' contract to lead Lincoln Elementary School. CPS Principal contracts run for four(4)-years terms. This action renews Principal Armendariz' contract through the 2018-2019 school year. After performing and discussing the Cumulative Principal Review, pursuant to the Local School Council Guidelines, the LSC proudly and unanimously voted on January 21, 2015, to retain Principal Armendariz.

We believe that Principal Armendariz' vision and effective leadership has directly resulted in Lincoln's unparalleled success and prominence within the Chicago Public Schools' neighborhood school system. We hope you will join us in enthusiastically thanking Principal Armendariz for his continued guidance, dedication, and passion for our children's education. This is an exciting time in Lincoln's history as we anticipate the opening of the Annex for the 2015-16 school year. We are confident that this action assures Lincoln's continued success as we both grow and welcome the next generation of students.
