An Update on closed session-

-Focused on scenario evaluations - candidate responses were received on Monday, 2/1/21 at noon.

-Reference check hasn't been completed, so PSC will convene at a future date to discuss the candidates further. Reference check team did not get a chance to review the scenario responses, so their input will be discussed too.

Public comment -

-Is PSC pleased with plans of equity moving forward at Lincoln? PSC's discussions have been in-line with the school's priorities. PSC is happy with what they have seen so far in all the

candidates. Interview questions have led PSC to believe that diversity and equity is accounted for.

-Is Special-ed background of the candidates considered in principal selection?

It was mentioned in the job posting, each candidate has a unique offering, equity is taken into consideration.

Next PSC meeting will be on Friday, Feb 5 at 5:30pm.

Public comment -

-What is the process so far for Principal Selection? Why wasn't there more parent involvement in PSC?

-Current AIC has about 2 weeks remaining, a Lincoln employee and a parent suggested that they don't want another AIC.

-2 special-ed teachers are leaving this week, current AIC isn't attending any meetings with DL, DL community needs information on the special-ed teachers. Chief Klee will ensure that the district rep provides additional support to the case manager and check if the special-ed teacher positions have been posted.

1 position has been hired, but there has been an issue with the 2nd position for past couple of years.

Since the topic of special-ed teachers wasn't in the agenda, it couldn't be discussed further due to OMA regulations.

Nada made a motion to adjourn at 8:19pm. Ashley seconded it.

All in favor.
